SERVING IN ETHIOPIA

[doug.lowenberg@agmd.org](mailto:doug.lowenberg@agmd.org)

## CURRENT MINISTRY

Doug and Corrine are working closely with the Ethiopia Assemblies of God (AG) leadership team to direct the training ministries of the Ethiopia AG. The urgent need is to expand the diploma program to numerous strategic locations across Ethiopia and disciple Spirit-filled, servant leaders for church planting. Priority is being given to the translation of the diploma materials into three additional languages (Oromiffa, Somali, and Tigrinya) which will enable pastoral training in every region. In partnership with the national church, missional training centers will be started in Sudan, South Sudan, Djibouti, and Eritrea as Ethiopian missionaries and teachers are sent. Simultaneously, effort will be given to strengthening the BA and MA programs of Addis Ababa Bible College so that more pastors and missionaries are equipped to be “people of the Spirit and people of the Book.”

## PREVIOUS MINISTRY

- Before moving to Africa, Doug and Corrine served as an accountant, high school teacher and coach, youth pastor, church planters, and Bible college administrators and teachers.
- The Lowenbergs have spent 20 years serving in Burkina Faso, Togo, Kenya and Ethiopia.
- Along with their primary ministries in Ethiopia and the Horn of Africa, Doug serves as the chairman of the Bible/Theology department of Pan-Africa Theological Seminary with campuses in Togo and Kenya.
